### Descripción de la propiedad

The duplex penthouse home has one of the best positions within what is a large and popular residential complex. Built on the undulating hillsides of upper Elviria, the community uses authentic Andalusian architecture to create a beautiful environment comprising of pretty paved walkways, Moorish-style water features and stunning Mediterranean gardens. The community is wonderful for those who wish to benefit from walking within the coasts natural landscape, with incredible views down through the valley of la Cala de Mijas to the sea and the impressive mountains leading all the way up the coast as far as Sierra Nevada. In the winter the snow on the peaks of the famous ski resort can be seen from the property.

The 3 bedroom la Mairena apartment is accessed from a large private underground parking space in the garage below the building. Next to this there is also a spacious storeroom. Take the elevator up 2 floors and you arrive at the front door of this upper Elviria home. With the fron
